Do's and Don'ts When Using Maybank2u Pay

1. Please refer to the official list of blog shops registered with Maybank2u on the official Maybank2u website at all times to confirm a registered blog shop before making any payments via Maybank2u Pay.
2. If a blog shop displays a Maybank2u Pay icon but the name of the blog is not listed under the official list of registered blogs on the official Maybank2u website, buyers are not recommended to proceed with the payment.
3. Always manually type the blog shop URL into your internet browser for a secured online banking experience. Never click on any email links or links provided by a third party claiming to direct you to blog shops.
4. Buyers are encouraged to practice due diligence at all times when shopping online in order to avoid any unwanted and/or regrettable events.
5. For more tips and safety measures when shopping online, kindly refer to [Guidelines on Performing Electronic Transaction](#) by the Ministry of Domestic Trades, Co-operatives and Consumerism (MDTCC).
