### How This Plan Helped Mei

Mei gets diagnosed with dengue. She is admitted to the hospital with her Medical Card.

At discharge, she did not have to pay for the bills! She has a follow up visit with the doctors a week later, and the bills were covered too.

10 years later, Mei is diagnosed with cancer and is unable to work. She receives a lump sum payment from her plan and uses it to pay for the house mortgage, car and daily expenses.
