## Shariah compliant list, Nov 2015

- 35 additions, 39 deletions from SC's revised Shariah list.
- Takes the total number of Shariah compliant stocks to 667, representing 74% of stocks listed on Bursa Securities.
- Key addition: IOI Corp, Yinson. Key deletion: Tan Chong, Star Media, Eversendai.

### What's New

The Securities Commission (SC) has released its revised Shariah compliant securities/stocks list this morning. The revised list will take effect from today, 27 Nov 2015. It includes 35 additions and 39 deletions. The number of Shariah compliant stocks now stands at 667 (74%), out of total 901 listed on Bursa Securities.

### What's Our View

Changes in the Shariah status of our research universe (107 stocks) are:

- Shariah compliant now (vs non-Shariah compliant previously)
  - IOI Corp (IOI MK; HOLD; TP MYR3.97)
  - Yinson (YNH MK; BUY; TP MYR4.35)
- Non-Shariah compliant now (vs Shariah compliant previously)
  - Tan Chong (TCM MK; HOLD; TP MYR2.65)
  - Star Media (STAR MK; HOLD; TP MYR2.40)
  - Eversendai (EVSD MK; BUY; TP MYR1.00)

With this, the following sectors under our research coverage are now full/almost full Shariah compliant: Auto (ex- Tan Chong), Construction (ex- Eversendai), Glove, Oil & Gas (ex- Perdana), Plantation, Technology, Property Developer, Telco, non-Air Transportation and Utilities (ex- YTLP).

We believe Tan Chong's exclusion from the SC's revised Shariah list could be due to its financial services division's contribution to group pre-tax profit, which could have crossed the 5% threshold, based on our estimates from its latest FY15 audited accounts.

As for Star Media, we understand that the stock dropped out as it had failed to meet the financial ratio benchmark relating to its cash, where cash placed in conventional accounts and instruments could have crossed the 5% of total assets benchmark.

Eversendai's management explained that dividend from a cash fund product which is non-Shariah compliant made up >5% of its FY15 net profit, thus resulting in Eversendai dropping off from the revised Shariah list. This has been rectified as at end-Jun 2015, and the stock is expected to be back on the Shariah list in 2016.

### DISCLAIMERS

This research report is prepared for general circulation and for information purposes only and under no circumstances should it be considered or intended as an offer to sell or a solicitation of an offer to buy the securities referred to herein. Investors should note that values of such securities, if any, may fluctuate and that each security's price or value may rise or fall. Opinions or recommendations contained herein are in form of technical ratings and fundamental ratings. Technical ratings may differ from fundamental ratings as technical valuations apply different methodologies and are purely based on price and volume-related information extracted from the relevant jurisdiction's stock exchange in the equity analysis. Accordingly, investors' returns may be less than the original sum invested. Past performance is not necessarily a guide to future performance. This report is not intended to provide personal investment advice and does not take into account the specific investment objectives, the financial situation and the particular needs of persons who may receive or read this report. Investors should therefore seek financial, legal and other advice regarding the appropriateness of investing in any securities or the investment strategies discussed or recommended in this report.

The information contained herein has been obtained from sources believed to be reliable but such sources have not been independently verified by Maybank Investment Bank Berhad, its subsidiary and affiliates (collectively, "MKE") and consequently no representation is made as to the accuracy or completeness of this report by MKE and it should not be relied upon as such. Accordingly, MKE and its officers, directors, associates, connected parties and/or employees (collectively, "Representatives") shall not be liable for any direct, indirect or consequential losses or damages that may arise from the use or reliance of this report. This report may contain forward looking statements which are often but not always identified by the use of words such as "anticipate", "believe", "estimate", "intend", "plan", "expect", "forecast", "predict" and "project" and statements that an event or result "may", "will", "can", "should", "could" or "might" occur or be achieved and other similar expressions. Such forward looking statements are based on assumptions made and information currently available to us and are subject to certain risks and uncertainties that could cause the actual results to differ materially from those expressed in any forward looking statements. Readers are cautioned not to place undue relevance on these forward-looking statements. MKE expressly disclaims any obligation to update or revise any such forward looking statements to reflect new information, events or circumstances after the date of this publication or to reflect the occurrence of unanticipated events.

MKE and its officers, directors and employees, including persons involved in the preparation or issuance of this report, may, to the extent permitted by law, from time to time participate or invest in financing transactions with the issuer(s) of the securities mentioned in this report, perform services for or solicit business from such issuers, and/or have a position or holding, or other material interest, or effect transactions, in such securities or options thereon, or other investments related thereto. In addition, it may make markets in the securities mentioned in the material presented in this report. MKE may, to the extent permitted by law, act upon or use the information presented herein, or the research or analysis on which they are based, before the material is published. One or more directors, officers and/or employees of MKE may be a director of the issuers of the securities mentioned in this report.

This report is prepared for the use of MKE's clients and may not be reproduced, altered in any way, transmitted to, copied or distributed to any other party in whole or in part in any form or manner without the prior express written consent of MKE and MKE and its Representatives accepts no liability whatsoever for the actions of third parties in this respect.

This report is not directed to or intended for distribution to or use by any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction where such distribution, publication, availability or use would be contrary to law or regulation. This report is for distribution only under such circumstances as may be permitted by applicable law. The securities described herein may not be eligible for sale in all jurisdictions or to certain categories of investors. Without prejudice to the foregoing, the reader is to note that additional disclaimers, warnings or qualifications may apply based on geographical location of the person or entity receiving this report.

### Malaysia

Opinions or recommendations contained herein are in the form of technical ratings and fundamental ratings. Technical ratings may differ from fundamental ratings as technical valuations apply different methodologies and are purely based on price and volume-related information extracted from Bursa Malaysia Securities Berhad in the equity analysis.

### Singapore

This report has been produced as of the date hereof and the information herein may be subject to change. Maybank Kim Eng Research Pte. Ltd. ### Analyst Certification of Independence

The views expressed in this research report accurately reflect the analyst’s personal views about any and all of the subject securities or issuers; and no part of the research analyst’s compensation was, is or will be, directly or indirectly, related to the specific recommendations or views expressed in the report.

### Reminder

Structured securities are complex instruments, typically involve a high degree of risk and are intended for sale only to sophisticated investors who are capable of understanding and assuming the risks involved. The market value of any structured security may be affected by changes in economic, financial and political factors (including, but not limited to, spot and forward interest and exchange rates), time to maturity, market conditions and volatility and the credit quality of any issuer or reference issuer. Any investor interested in purchasing a structured product should conduct its own analysis of the product and consult with its own professional advisers as to the risks involved in making such a purchase.

No part of this material may be copied, photocopied or duplicated in any form by any means or redistributed without the prior consent of MKE.

### Definition of Ratings

Maybank Kim Eng Research uses the following rating system

<b>BUY</b>	Return is expected to be above 10% in the next 12 months (excluding dividends)
<b>HOLD</b>	Return is expected to be between - 10% to +10% in the next 12 months (excluding dividends)
<b>SELL</b>	Return is expected to be below -10% in the next 12 months (excluding dividends)

### Applicability of Ratings

The respective analyst maintains a coverage universe of stocks, the list of which may be adjusted according to needs. Investment ratings are only applicable to the stocks which form part of the coverage universe. Reports on companies which are not part of the coverage do not carry investment ratings as we do not actively follow developments in these companies.
