Dear Valued Customers,

In line with our continuous effort to serve you better and offer the best experience possible when using the Maybank Islamic Ikhwan Credit Card-i, we would like to inform you that Maybank Islamic will be converting the underlying Shariah principle of all our Islamic credit cards from *Bai' 'Inah* to *Ujrah* concept effective 24th December 2012.

The new Shariah concept will incorporate better benefits by simplifying the Card application process and facilitate increases in Card Limit.

You may still hold the same physical Card(s), Card(s) number or account(s) number and continue to enjoy the benefits and privileges offered as an Ikhwan Credit Cardmember without any disruption.
