PRODUCT NAME:

HERpower Financing-i

DATE:

[The date issued to customer to be filled in by Sales Personnel]

1. WHAT IS THIS PRODUCT ABOUT?

- This is a working capital financing/capital expenditure (CAPEX) financing in the form of Term Financing for SMEs.
- It is eligible to Malaysian-controlled company and Malaysian-women owned business:
 - For Sdn Bhd, LLP & Partnership: At least 51% shareholding held by women
 - For Sole-Proprietorship: 100% owned by women
- The Effective Profit Rate (EPR) charged for this scheme is calculated based on a variable rate basis.
- A guarantee by Syarikat Jaminan Pembiayaan Perniagaan (SJPP) and/or director(s) guarantee (applicable for Sdn Bhd) will be taken as collateral/security for the financing (where required).

2. WHAT IS THE SHARIAH CONTRACT APPLICABLE?

The applicable Shariah contract is Murabahah (cost plus profit) via Tawarruq arrangement (Commodity Murabahah). It is a method of sale with a mark-up price where Customer pays a price over an agreed period of time. The underlying asset for the sale transaction between the Customer and the Bank will be a specific tradable Shariah compliant commodity.

- In accordance to financing under the Commodity Murabahah, the Bank acquires/purchases a specific Shariah compliant commodity from a third party (Commodity Trader 1) upon request made by the Customer.
- The Bank then sells the said commodity to the Customer at the Bank's Sale Price which comprised of the facility amount plus profit margin to be paid on deferred payment basis within the agreed tenure.
- The Customer then appoints the Bank as its agent to perform the commodity sale transaction to a third party for cash.
- The Bank, acting as an agent to the Customer then sells the commodity to a third party (Commodity Trader 2) at a price equivalent to the facility amount or limit.
- Proceeds of sale of the commodity will be disbursed to the Customer, vendors or stakeholders subject to the term and conditions of the facility.

For Commodity Murabahah trading purposes, the Bank shall at all times be your non-exclusive agent to undertake the required Commodity Murabahah transactions related to the facility.

5. WHAT ARE MY OBLIGATIONS?

Commodity Murabahah Term Financing-i

- Servicing monthly profit amount pending full Facility disbursement.
- Servicing monthly installment amount upon full Facility disbursement.

Payment for the Facility is in the form of monthly installment payment (calculated based on the prevailing Effective Profit Rate (EPR), Facility tenure and cost of financing outstanding balance). The installment amount is to commence upon full Facility disbursement.

Monthly Installment Amount*	RM _____ (payment of principal and profit amount)
Total Payment Amount	RM _____ (inclusive of principal facility amount)

Sample Illustration:

Pricing/EPR : BFR + 2% per annum
Facility Amount : RM500,000
Facility Tenure : 5 Years

EPR	Today (BFR=6.65%) i.e. 6.65% + 2%	If BFR goes up 1% i.e. 7.65% + 2%	If BFR goes up 2% i.e. 8.65% + 2%
Monthly Installment	10,295.00	10,538.00	10,785.00
Total Profit Cost at the end of 5 Years	117,658.93	132,250.89	147,032.40
Total Payment Amount at the end of 5 Years	617,700.00	632,280.00	647,100.00

- The Bank shall be entitled to deduct an advance instalment payment equivalent to one month's instalment from the approved facility amount. The Bank shall utilize the said amount deducted to pay any amount due and payable by you in connection with your approved facility at any time during the tenure of the facility.

Note: The monthly installment amount and the total payment amount may vary accordingly with the changes in the BNM Funding Rate and/or BFR provided that the total payment collected on the financing does not exceed the Bank's Sale Price. The Bank will notify you the new instalment amount within twenty-one (21) calendar days prior to the date of implementation.

6. WHAT ARE THE FEES AND CHARGES I HAVE TO PAY?

Stamp Duties	As per the Stamp Act 1949 (revised 1989)
Trading Fees	In respect of the Commodity Murabahah transaction, the Customer shall pay to the Bank a trading fee of RM15 per every RM1.0 million of the Facility Amount or such other amount as may be determined by the Bank from time to time.
SJPP Guarantee Fee	0.75% per annum on the facility amount on annual basis (subject to minimum of RM500.00) [to be borne by the Bank].
Tax	Subject to all applicable taxes and levies now or thereafter imposed by the laws.
Other Fees and Charges	All other costs and expenses i.e. legal fees and other charges incurred in the preparation of all documentation, perfection of the Bank's security documents and disbursement.

Note: Subject to Shariah compliance, twenty-one (21) calendar days written notice will be provided to you for any variation made to the fees and charges that you have to pay and such variation will take effect from the date specified in the said notice.

7. WHAT IF I FAIL TO FULFILL MY OBLIGATIONS?

Late Payment Charges (LPC)	A. It is expressly agreed by the parties that the bank has the right to be compensated on late instalment and/or default payment based on the following mechanism: I. <u>Overdue Instalment or Scheduled Payment</u> For failure to pay any instalment or any payment due from the date of the first disbursement of the facility until its expiry or maturity date, an LPC sum equivalent to one per cent (1%) per annum of the overdue instalments/payment or by any other method approved by Bank Negara Malaysia (BNM). II. <u>Upon Maturity/Judgment (whichever is earlier)</u> For failure to pay any instalments or any payment due and which failure continues beyond the expiry or maturity date of the facility or upon judgment, whichever is earlier, at the LPC rate which shall be the prevailing daily overnight Islamic Interbank Money Market (IIMM) rate on the outstanding balance due and payable or any other method approved by BNM from time to time. B. The amount of LPC charged on you shall not be further compounded.
Legal action	Legal action may be taken against you due to the following events: - ▪ Your failure to make instalment payment. ▪ Your failure to respond the reminders notices. ▪ Your failure to comply the terms and condition of the facility and/or its facility and legal documents. ▪ Any legal action filed against you may affect your credit rating leading to credit being more difficult or expensive to you in the future. ▪ Notice will be given to you before any legal action is taken by the Bank.
Right to Set-Off	The Bank may combine, consolidate or merge all or any of your accounts with, and liabilities the Bank by giving seven (7) calendar days prior notice on the Bank intention to set off a credit balance of any such accounts in or towards the satisfaction of any of your liabilities to the Bank under the facility. The Bank may concurrently earmark the available funds in your accounts against the outstanding balance of the facility(s) upon the issuance of notice to you.

Default Rate

In the event you default for three (3) consecutive months in any due payment or your account is in excess of the limit for three (3) months under the Facility, we will be entitled to increase the profit margin of the Effective Profit Rate to Base Financing Rate (BFR) + 2.5% p.a. or 1.0% p.a. above the Effective Profit Rate (if the Effective Profit Rate is BFR + 2.5% p.a. and above) ("the Default Rate") to be charged on the amount outstanding, or such other profit rates as Bank Negara Malaysia may prescribe from time to time.

We will give you written notice of at least twenty-one (21) calendar days prior to making any changes to the Default Rate or such other rates.

The Default Rate shall continue to apply unless you reduce your payment in arrears to less than three (3) months whereby the current effective profit rate will be reinstated.

Provided always that such increase shall not cause the total payment amount to exceed the Bank's Sale Price.

8. WHAT IF I FULLY SETTLE THE FINANCING BEFORE ITS MATURITY?
Lock In Period

Nil.

Early Settlement Fees

Nil.

Rebate (Ibra')

If you fully settle your financing before its maturity:

- You will need to pay the outstanding balance, current monthly profit and any amount due and payable to the Bank.
- No early settlement fee will be charged.

The Bank shall grant rebate (*Ibra'*) to the Customer on, but not limited to, the following events:

- The Customer makes early settlement or early redemption, including those arising from prepayments;
- In the event of early commencement of monthly instalment prior to the expiry of grace profit period (for progressive disbursement);
- In the event the Effective Profit Rate is lower than the Ceiling Profit Rate; and
- In the event the actual disbursed amount is less than the Facility Amount.

For clarity, the said rebates will not be construed as cash rebate payable to you but will be reflected as a reduction in the profit element of the Bank's Sale Price of the Facility. The rebate will only be granted upon receipt of the settlement/redemption sum as determined by the Bank based on the following formula:

Outstanding Bank's Sale Price	Less	Outstanding Facility Amount	Less	Other Amount due to the Bank
----------------------------------	------	--------------------------------	------	---------------------------------

You may refer to our website at www.maybank2u.com.my for a sample illustration on the application of *Ibra'* and settlement amount formula.

Go to Home > Announcements > Bank Negara Malaysia's Guideline on *Ibra'* (Rebate) for Sale-Based Financing

9. DO I NEED ANY TAKAFUL COVERAGE?

Personal Reducing Term Takaful (PRTT) / Takaful PesonaLady shall be offered to you for takaful coverage on the Key Person/ Managing Director/ Managing Partner/ Partners/ Proprietor, to cover the same in the event of death or permanent disability.

10. WHAT ARE THE MAJOR RISKS?
