Card : **Maybank Islamic Visa Corporate Card-i / Maybank Islamic Mastercard Business Card-i**
Date : December 2025

1. What is Maybank Islamic Corporate/Business Card-i?

An Islamic credit card based on Murabahah (cost plus profit) via Tawarruq arrangement (Commodity Murabahah). It is a method of sale of which its acquisition cost and its marked-up price are disclosed where you pay the price over an agreed period of time. The underlying asset for the sale transaction between us will be a specific tradable Shariah compliant commodity.

- 1.1 In accordance to sale transaction under the Commodity Murabahah, we acquire/purchase a specific Shariah compliant commodity from a third party (Commodity Trader 1) upon your request.
- 1.2 We then sell the said commodity to you at an agreed selling price (cost plus profit) on deferred payment basis.
- 1.3 You then appoint us as your agent to perform the commodity sale transaction to another third party at cost and on a spot basis.
- 1.4 We, acting as your agent then sell the said commodity to another third party (Commodity Trader 2) at a price equivalent to the Card Limit.
- 1.5 Proceeds of sale of the commodity will be disbursed in form of Card Limit assigned to the Card Account, subject to the terms and conditions of this Agreement.
- 1.6 You also irrevocably appoint and authorise us as wakīl bi-daf' (agent for payment) to utilise the proceeds generated from the sale transaction to settle any payments due to merchants or other third parties arising from your utilisation of the Card. You acknowledge and agree that the Bank's role as wakīl bi-daf' shall be limited to making such payments on your behalf from the said proceeds, and that you shall remain ultimately responsible for all obligations and liabilities arising under this Agreement.

For Commodity Murabahah trading purposes, we shall at all times be your non-exclusive agent to undertake the required Commodity Murabahah transactions related to the facility.

We will set and determine, on behalf of you, the Card Limit prior to execution of Commodity Murabahah, based on your declared income.

Bank's Sale Price

The sale price payable by the Cardmember to the Bank which shall comprise the Bank's Purchase price and the profit of the Bank = Card limit + total profit (Card Limit X Profit Rate (28%) x Akad duration (5 years))

Ibra'

We shall grant rebate (*Ibra'*) to you on, but not limited to, the following events:

- a) You made an early settlement before issuance of the monthly statement of account or within 20 days from the issuance of monthly statement of account;
- b) In the event the utilization of the Card Limit is less than the total profit derived from the Commodity Murabahah.

For clarity, the said rebate will not be construed as cash rebate payable to you, but will be reflected as a reduction in the profit element of the Bank's Sale Price of the facility. The rebate will only be granted upon receipt of the settlement/redemption sum as determined by us based on the following formula:

Outstanding Bank's Sale Price	Less	Outstanding Card Limit	Less	Other amount due to us
