Kill Switch - FAQ

Activate Kill Switch via Maybank2u web

Step 1: Log in to www.maybank2u.com.my

Step 2: Go to 'SETTINGS'

Step 3: Click 'SECURITY' and select 'Kill Switch'

Step 4: Select the feature you would like to block or deactivate

Step 5: Read the terms and authorise the transaction via Secure2u

For your added convenience, you can also block your Maybank Cards by accessing your accounts. Just follow the step-by-step guide below:

Block card via the MAE app

Step 1: Launch the MAE app and tap on the 'Cards' tab under 'Accounts'

Step 2: Select the debit/credit/charge card you want to block then tap 'Block Card'

Step 3: Tap 'Next' and 'Confirm' after agreeing with the terms

Step 4: Tap 'Approve' on the Secure Verification request or enter the 6-digit TAC sent to your registered mobile number.

Step 5: Upon successful card blocking, you will receive an SMS and Push Notification. The card status will be updated to 'Temporarily Blocked'

Note: You will automatically be logged out from all active sessions immediately after you have deactivated your Maybank2u access.

Q4

I have activated my Kill Switch. What happens now?

Once the Kill Switch is activated via the MAE app or Maybank2u web, here's what you can and cannot do with your Maybank Cards or Maybank2u:

Kill Switch features	What you will NO longer be able to do	What you will still be able to do
Deactivate Maybank2u access	<ul style="list-style-type: none"> Log in to your account via web/app Perform bill payments, transfers and other online banking transactions 	<ul style="list-style-type: none"> Receive funds into your account

Kill Switch - FAQ

		Block Credit/ Charge Card	<ul style="list-style-type: none"> ● Make online and in-store payments (including FPX, Apple Pay and Samsung Pay) ● Manage your card settings (including updating your address and changing your PIN) ● Make recurring transactions (existing subscriptions, auto debits, standing instructions and similar services will temporarily stop) 	<ul style="list-style-type: none"> ● Log in to your Maybank2u via web/app ● Use your Current/Savings Account to perform transactions ● Pay existing credit/charge card balance and instalments (via Maybank EzyPay, Balance Transfer, Cash Treats and more. <p><i>Note: You can still get charged for the card's annual fee and service tax even when your card has been blocked.</i></p>
		Block Debit Card	<ul style="list-style-type: none"> ● Use ATM services ● Make online and in-store payments (including FPX, Apple Pay and Samsung Pay) ● Manage your card settings (including updating your address and changing your PIN) ● Make recurring transactions (existing 	<ul style="list-style-type: none"> ● Log in to your Maybank2u via web/app ● Use your Current/Savings Account to perform transactions <p><i>Note: You can still get charged for the card's annual fee and service tax even when your card has been blocked (if any).</i></p>

Q5	How will I know if my Kill Switch has been activated?	Once you have activated the Kill Switch for any of the features, you will receive a push notification and an SMS notifying you that your Kill Switch has been successfully activated.			
Q6	How do I unblock my card or reactivate access to Maybank2u?	You will need to call the Maybank Group Care Centre (MGCC) at 1300 88 6688 or visit a Maybank branch to reactivate your Maybank Debit/Credit/Charge Card or Maybank2u access.			
Q7	How long before I can use my Maybank Card or login to Maybank2u after reactivation?	<p>Once you have been successfully verified by MGCC or a Maybank branch officer, you will immediately be able to do the following:</p> <ul style="list-style-type: none"> ● Use your Maybank Cards ● Log in to the MAE app or Maybank2u web/app to perform transactions 			
Q8	I received a push notification and an SMS notifying me that my Kill Switch has been activated but I did not perform this action. What should I do?	If you suspect someone has stolen your Maybank2u username and password, immediately call Maybank's 24/7 Fraud Hotline at 03 5891 4744 to make a report.			
Q9	My physical Maybank Card have been misplaced/stolen. What should I do?	If you have misplaced your card or it has been stolen, immediately activate the Kill Switch to block your card. This will block any outgoing transactions from happening.			

Kill Switch - FAQ

Q10	How do I make a report if I am a victim of a scam?	If you suspect you've been scammed, immediately call Maybank's 24/7 Fraud Hotline at 03 5891 4744 or the National Scam Response Centre (NSRC) at 997 (8am to 8pm daily) to make a report.
Q11	What happens if I do not reactivate my Maybank Cards?	<p>You can rest assured that your money will remain in your bank account. However, kindly note that you might not be able to perform transactions if you do not reactivate access to your cards or Maybank2u.</p> <p><u>Maybank Card</u></p> <p>If you do not reactivate access to your card, it will remain blocked and you will not be able to use it to make payments. This includes online payments via FPX and physical card payments.</p> <p><u>Maybank2u access</u></p> <p>If you do not reactivate access to Maybank2u within 12 months, your access will be terminated. You will then need to register for a new Maybank2u access at a Maybank branch.</p>
