

The New Maybank Trade App Quick Guide

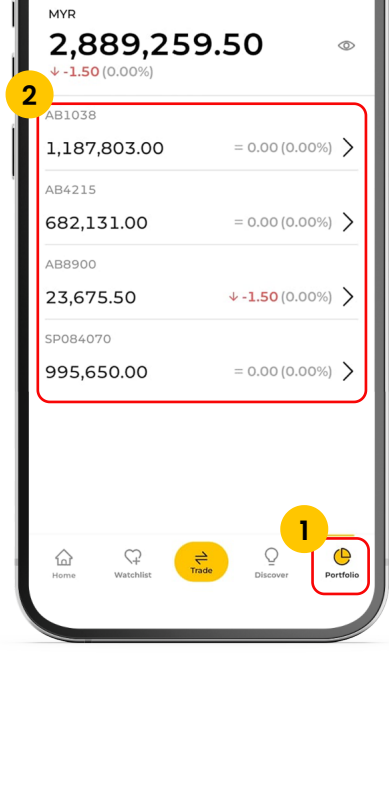

A quick reference guide to assist you in navigating some of the latest features in our new Maybank Trade App.

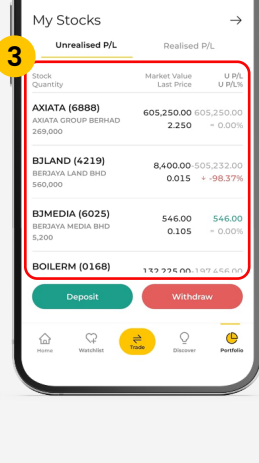

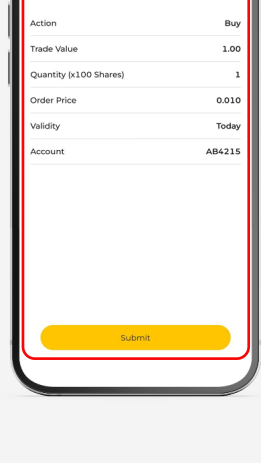

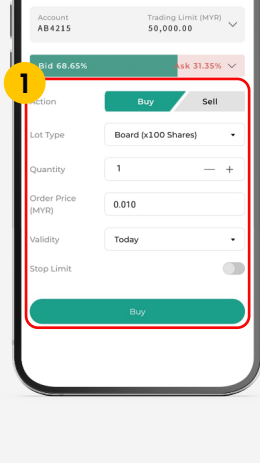

Portfolio & Account Overview

View a concise summary of investment portfolio and accounts.

- 1 Go to Portfolio to view Portfolio Summary.
- 2 Select an Account to view My Holdings and Account Summary.

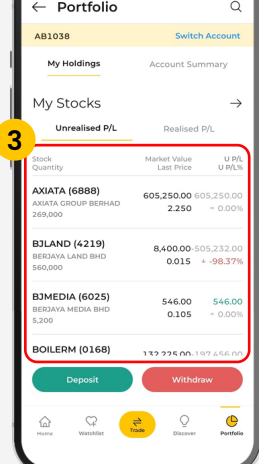

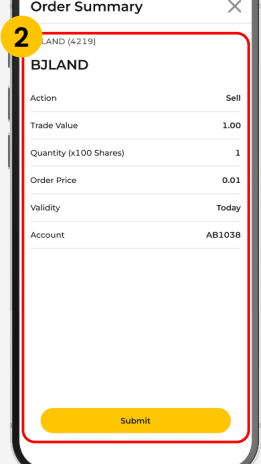

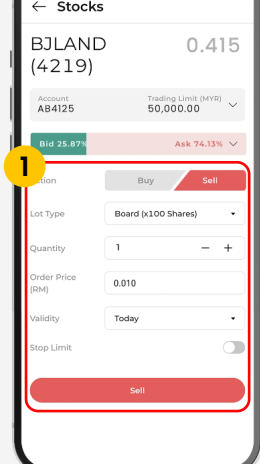

Performing Transactions

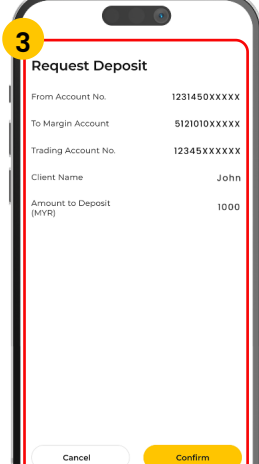

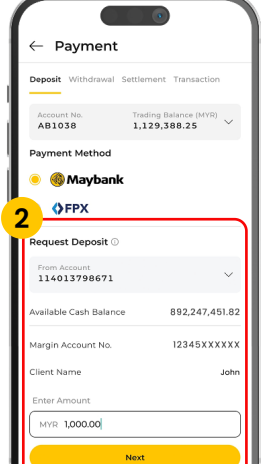

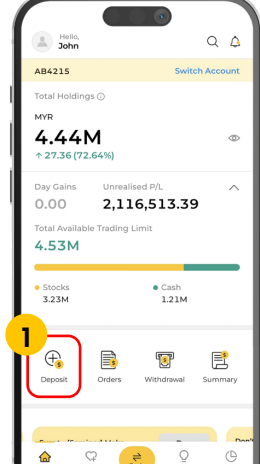

Buy Stocks

- 1 Choose a stock and place an order.
- 2 Review, confirm, and wait for order execution.
- 3 Monitor your investment.

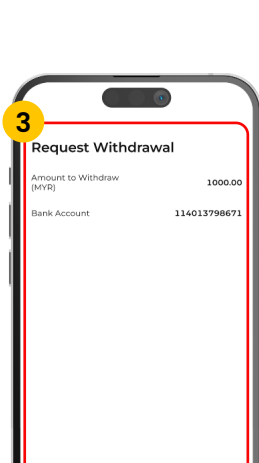

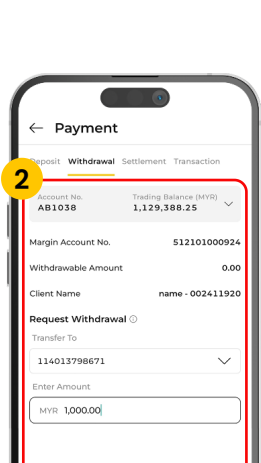

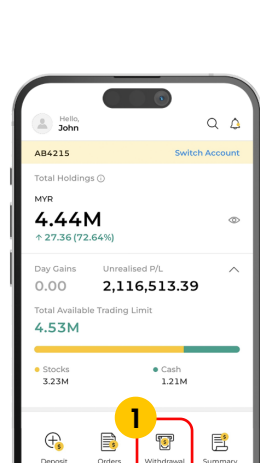

Sell Stocks

- 1 Select a stock and specify order detail.
- 2 Review, confirm, and wait for order execution.
- 3 Monitor the sale.

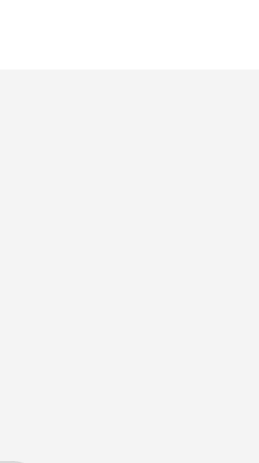

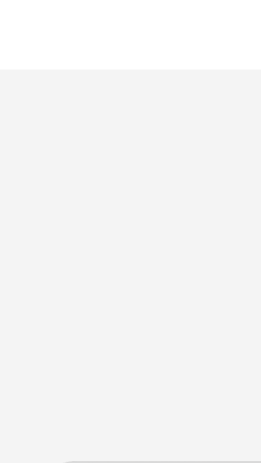

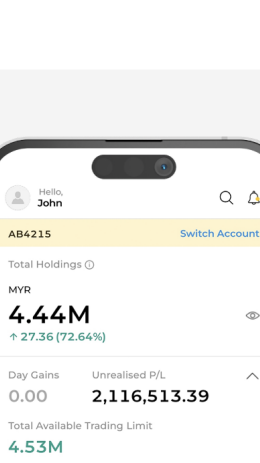

Deposit

- 1 Tap "Deposit" on Dashboard.
- 2 Select Payment Method and input Request Deposit details and tap "Next".
- 3 Review your request and tap "Confirm".

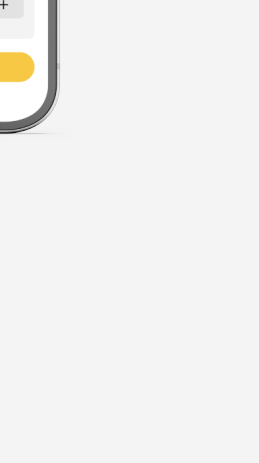

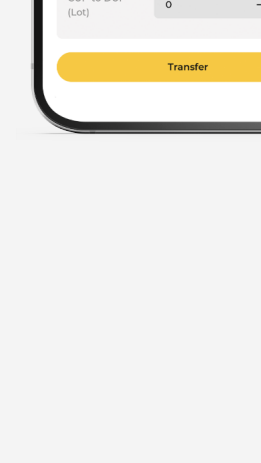

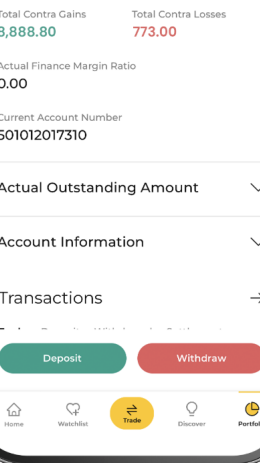

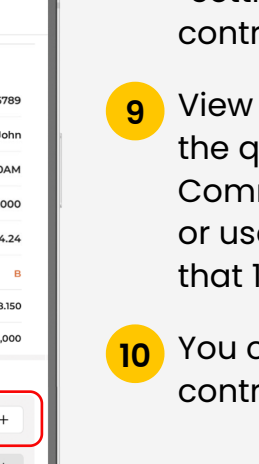

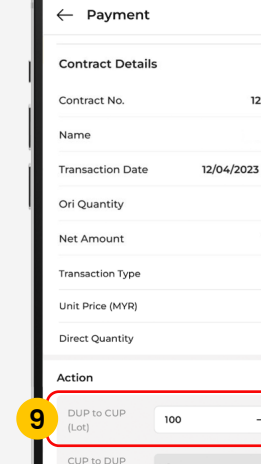

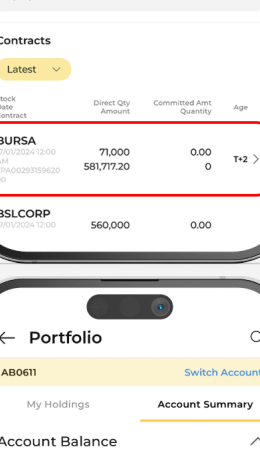

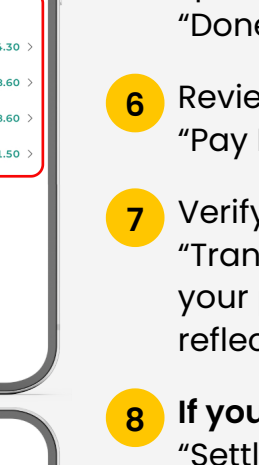

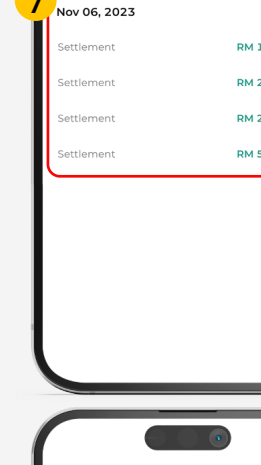

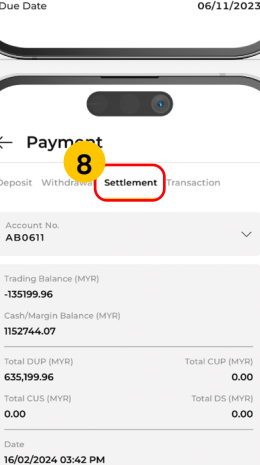

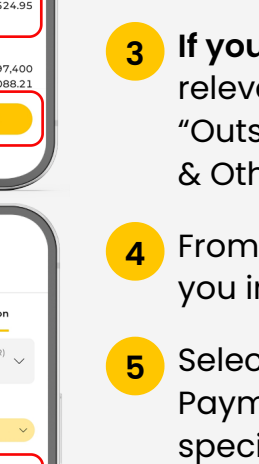

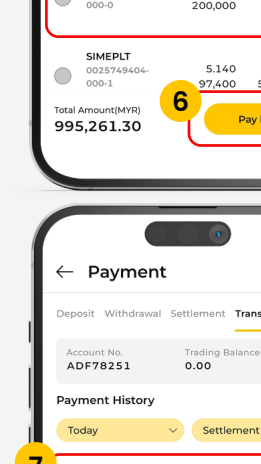

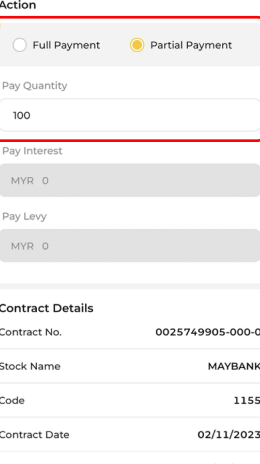

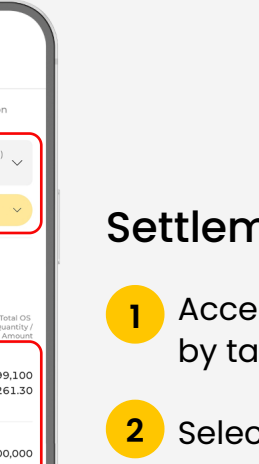

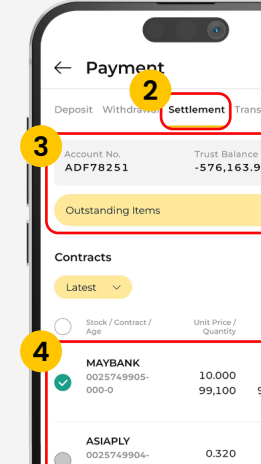

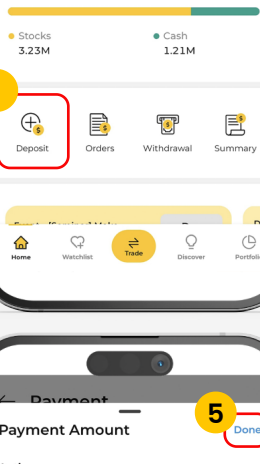

Withdrawal

- 1 Tap "Withdrawal" on Dashboard and select an Account.
- 2 Input Request Withdrawal details and tap "Submit".
- 3 Review your request and tap "Confirm".

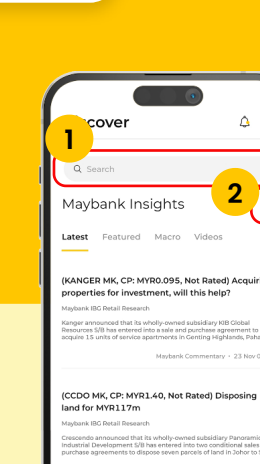

Settlement of Contracts (IB/EIC)

- 1 Access your complete list of settlements by tapping "Deposit" on the Dashboard.
- 2 Select the "Settlement" tab.
- 3 If you sign up via IB, choose the relevant account and opt for either "Outstanding Balance" or "Debit Billing & Other Charges".
- 4 From the list of stocks, select the one you intend to settle.
- 5 Select "Full Payment" or "Partial Payment". For partial payments, specify the "Pay Quantity" and tap "Done".
- 6 Review your request by selecting "Pay Now".
- 7 Verify the transaction via the "Transactions" tab, ensuring that your payment has been accurately reflected.
- 8 If you sign up via EIC, select the "Settlement" tab and choose a contract to settle.
- 9 View the Contract details and enter the quantity of Direct Quantity (DUP) to Committed Quantity (CUP) manually or use the '+/-' button. Kindly note that 1 lot is equivalent to 100 units.
- 10 You can view your contra gains or contra losses in your Account Summary.

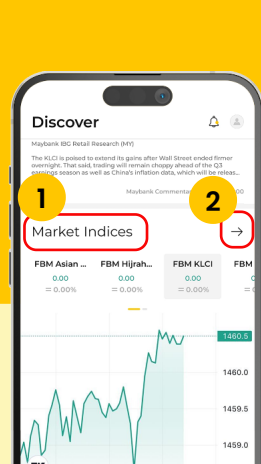

Discover
